

D.O. Lr.No.790/Elecs.A/2004-175, Dated 12<sup>th</sup> February, 2008.

Dear

Sub: Implementation of the notification of the Delimitation Commission  
– Reg.  
Ref: CEO's Conference held at New Delhi on 7<sup>th</sup> February, 2008.

\* \* \*

As you are aware that the Delimitation Commission published its final notification delimiting Assembly Constituencies in Andhra Pradesh on 31.5.2007. This notification was gazetted in Andhra Pradesh Gazette No. 23, dated 31.5.2007 and forwarded to you by this office. This Gazette is available in our Website [www.ceoandhra.nic.in](http://www.ceoandhra.nic.in).

2. The Election Commission has instructed that preparatory work should be taken up on the Constituency delimitation. This will ensure that as and when the delimitation comes into effect the transition to the new set of electoral rolls can be managed smoothly.

3. For this purpose, it is essential that the final notification relating to your district is carefully studied by you, your EROs and ROs and the following steps taken;

- 1) Two Summary Statements relating to your district are enclosed. These statements give details of the existing district code, existing A.C. Code, existing EPICs Prefix Code as well as Polling Station Numbers allotted to that Constituency located Mandal-wise. Please scrutinize this list carefully and confirm that entries made therein are correct and all the Polling Stations of your district have been accounted for and correctly recorded in the statement.
- 2) The second part of the Summary statement showing the position after delimitation should be filled up carefully. For this purpose you should consult the Delimitation Commission notification and fill up new District codes, new A.C. names, new A.C. Codes as well as new Mandals allotted to the constituency and the new Polling Station numbers (to be given by you) allotted to each Constituency.

- 3) In this exercise all the Mandals shifted from the existing A.Cs to the proposed A.Cs should be accounted for. The total number of Polling Stations in your district in all the constituencies before and after delimitation should tally. Newly created Constituencies and old Constituencies discarded should be clearly shown. Polling Stations shifted from another Constituency should be specified in the last column of the statement.
- 4) After completion of this mapping statement (statement of existing and proposed Polling Stations Constituency-wise) the rolls will be prepared electronically using the software being designed by CMC for the purpose.

It is therefore, essential that the mapping statement prepared and verified in Steps 1, 2 & 3 above is completely accurate. To assist you in preparing the mapping statement, I am enclosing mapping statement prepared in this office, for one Constituency in the district of Adilabad. The statement may be used as a guide.

4. The above procedure has been formulated assuming that all Polling Stations as a whole will be transferred to the new Constituency and no Polling Station will be split across two different constituencies after implementing Delimitation Commission notification. Please verify your records and check:

- 1) Whether the jurisdiction of existing Polling Stations lies within one Mandal or whether it crosses more than one Mandal jurisdiction.
- 2) Whether the Polling Station jurisdiction remains within a mandal after implementing the Delimitation Commission recommendations.
- 3) Whether Mandals will be divided after implementing of the delimitation recommendations. If so, whether any of the polling stations in such mandals are also divided. If so, the villages allotted to each constituency must be carefully separated. A sample list of Mandals which have been broken up by the Delimitation Commission recommendations is enclosed. Please note that this is not an exhaustive list and as DEO you should satisfy yourself that all such cases have been studied and suitably incorporated in your mapping statement.

- 4) In respect of cities, the recommendations are based on Ward-wise and Block-wise numbers. All references to all revised Wards, Blocks, Mandals refer to the position in Andhra Pradesh as on 15.2.2004. Please confirm that subsequently to this date there have been no administrative changes like creation of new Mandals, re-organization of Municipal Blocks, Wards in your district. If, there have been any such changes for the purpose of delimitation, the ground position as on 15.2.2004 should be used as the basis for implementing the recommendations of the Delimitation Commission and preparing revised electoral rolls.
5. As you are aware it is essential that the statements are prepared carefully and accurately to avoid problems to you and your officers during the next general elections.
6. Please ensure that this information completely verified and certified by you in the format enclosed reaches me by 29.2.2008. Please do not hesitate to contact me in case of any doubts.

With

Yours sincerely,

(V. BHASKAR)
