In this connection, you are requested to assess the requirement of Authority Letters under Rules 32(C) and 53(1)(b) of the Conduct of Elections Rules, 1961 for the aforesaid election in your state and furnish list of persons to whom authority letters are to be issued. Such requests shall be recommended by the Head of the Public Relations Department / Director of Information of State Government in case of media persons outside Delhi. No preference will be given to the representatives of Central or State Government media or those representing foreign press/media and all should be treated alike with due and appropriate care.

3 (a). Two passport size photographs should accompany with each request for issuance of Authority Letter. The Chief Electoral Officer who is the officer authorised by the Commission for media persons outside Delhi and for persons deployed by media organizations for conducting election surveys and collecting election data, shall have one copy of the photograph pasted on the Authority Letter and this can be authenticated with the facsimile signature of the issuing authority. The other copy of the photograph can be pasted in the control register. The Authority Letter as such has to be signed personally by the authorised officer. This aspect may please be brought to the notice of all concerned sufficiently in advance so that no one is inconvenienced.

3(b). It may also be clarified to all concerned that an authority letter to enter a "Counting Centre" is not an authority to enter the "Counting Hall(s)" which shall be governed by a separate set of instruction's issued vide Commission's letter No. 491/CNTG/MCS/99 dated 21.09.1999.

3(c). The authority letter for Poll day is valid for all Polling Stations of the Constituency mentioned in authority letter, which an applicant may like to cover. The authority letter clearly mentions that photography and videography is strictly prohibited inside the Voting Compartment so as not to violate secrecy of Ballot.

No omnibus Authority Letter shall be issued. You should maintain appropriate control registers at your level.

5. While recommending passes for counting, care should be taken that: -
