Auditor's Report

To
The President
Yuddam Narasimha Rao,
Pedala Party

We have audited the attached Balance Sheet of Pedala Party, as at 31st March 2016, and also the Income and Expenditure Account and the Receipts & Payment for the year ended on that date annexed thereto. These financial statements are the responsibility of the Political Party's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statements presentation. We believe that our audit provides a reasonable basis for our opinion.

Further, we report that:

- (i) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (ii) In our opinion, proper books of account have been kept by the Political Party so far as appears from our examination of those books (and proper returns adequate for the purposes of our audit have been received from the branches not visited by us);
- (iii) The Balance Sheet, Income and Expenditure Account and Receipts & Payment dealt with by this report are in agreement with the books of account.
- (iv) In our opinion and to the best of our information and according to the explanations given to us, the said accounts give a true and fair view in conformity with the accounting principles generally accepted in India:
 - a) in the case of the Balance Sheet, of the state of affairs of the Political party as at 31st March 2016
 - b) in the case of the Income and Expenditure Account, of the Surplus/Deficit year ended on that date; and
 - c) in the case of the Receipts & Payment, of the cash flows for the year ended on that date.
